(Views on Improving Credentials & Education Success)

## Mission Statement

---

The V.O.I.C.E.S. mission is to empower youth and raise awareness about postsecondary education. We ARE the trailblazers on a non-traditional path. Our views on improving credential and education success inspire all that we encounter. Our goal is to inform all students and graduates about the opportunities that await them. We shall succeed by sharing our experiences and holding ourselves to a high standard of excellence.
